BIBLE MEMORY / STUDY

Nothing gets students more excited than Bible Memorization! Wow I wish I had invited more friends today, if only I had known how fun the topic was going to be. Well don't despair we are not just talking about Bible Memorization, we are also talking about Bible Study. Two habits that I think go hand in hand as we develop spiritual habits.

The famous philosopher Aristotle said, "We are what we repeatedly do. Excellence then is not an act, but a habit." Did

you catch that, "...we are what we repeatedly do." I may be sounding like a broken record or should I say a scratched CD, when I keep talking about developing habits. But I can't stress enough that my goal of youth ministry is that you develop these habits so that when we graduate from here, we don't graduate from our faith

My prayer is that you would begin to develop more and more spiritual Habits... like bringing your Bibles to Bible

Study. What a concept!

Key Habits Idea

That who you and I turn out to be is made up of the grace and gifts we have been given, the commitments we make and the habits we develop.
